DERRICK "DOC" PEARSON

In 2003, I was prompted by the Spirit of the Lord to release my music independently. After questioning the Lord about things such as where the funding was going to come from, who will be the artist, and where will I find the singers and musicians, I heard a confirming message from my pastor that was titled, "Do Now What You Know Now To Do". I submitted to God's voice and, in July 2005, IAM Music Company released it's first independent music project titled, "Derrick Doc Pearson I Sing A New Song To The Lord".

Since 2005, IAM Music Company has released 6 CD projects, 6 music videos, won awards and received numerous award nominations, topped Gospel label

charts for music and video, and garnished worldwide reconnection for outstanding Contemporary Gospel and Inspirational music. I am thankful to the Lord for allowing IAM Music Company to be used for the building of the kingdom of God.

These 10 years have not always been easy. Many people that started with me are no longer with me. Some quit, some left to pursue other interest, and some have gone on to glory. There have been many personal challenges, financial challenges, health challenges and many times when I thought about quitting. However, in those times I continued to look unto Jesus the author and finisher of my faith and he continued to strengthen me and provide ways out of no ways. Thank you Jesus for these 10 years. I cannot imagine what the Lord will do with the next 10 years, but I know that as long as he leads me, I will follow and I will continue to run-on with God to see what the end is going to be. The Lord is not through with me yet because He said, "he who began a good work in me is faithful to complete it until the day of Jesus Christ".

In Christ,

Derrick Doc Pearson: CEO/Producer/Songwriter/Director

Jesus is Lord!

Much love and thanks to all the people that have had a dramatic influence over my music:

My wife of 32 years Lamar Pearson for believing in me, supporting me, praying for me, and loving me; My mother Margaret Pearson for raising me, believing in me, for buying my first bass guitar, letting me start a band, and putting up with all of those noisy band rehearsals; Dr. Shakina Rawlings & Dr. Shari Pearson my daughters for loving and sharing me with my musical interest; my first group Omega for believing with me that we should do our own original material; Mr. & Mrs. Rich, Mr. & Mrs. Hawkins & Mr. Scott for letting our band practice at their homes; Isaac Hayes for letting me stay at his home, for taking me to his recording studio to witness how he worked and for sharing with me that this is the music business and the biggest word of those 2 is business; Narada Michael Walden for teaching me how to produce and how to get the best out of a recording vocalist and that bass lines should move; Tom (Tom Tom 99) Washington for teaching me about horn arrangements, horn accents and that "more is better"; Anthony "Redds" Williams & Big Brother CJ for introducing me to the go-go; Terry Stubbs for teaching me about melody and song structures; Al Johnson for showing me that it can all work and for making harmonies and vocals in my songs come alive; Paul Minor for sharing his technical knowledge; and Minister Kathy Horry for teaching me to play gospel music; To all the singers and musicians that have contributed over the years, which are too numerous to mention but include: Sylver Logan Sharp, Mike Scott, Kevin Bond, Jay Williams, Doug Ramsey, Tahesha Jones, Tami Battle, Adrian Gause, Chip Austin, Tracy Young, Michelle Chisolm, Linda Gray, Alan Reid, Reginald Coleman, Don Summons, Nathaniel Brown, Tom Crosby, Johnny Steele, Harold Washington, Brian Lanear, David Tauler, Big Brother CJ, Kevin Battle and others; To Bishop John A. Cherry II, Episcopal Pastor John A. Cherry, Bishop Ralph E. Green, Bishop T.D. Jakes, Apostle Frederick K.C. Price, Pastor Tony Evans, Apostle Betty Peebles, Dr. Mike Freeman, Evangelist Joyce Myers and others: I could not have composed music about Jesus if I had never learned about Jesus. Thank you all for teaching me the gospel of Jesus Christ -

I appreciate and love you all.
